

**RONDEAU SEMINARS
LEVEL I COURSE EVALUATION**

Please assist us in improving the Continuing Education Course by commenting on the following:

1. What are your overall impressions of the course?

2. What were the best features of the course?

3. If there were any course weaknesses, please describe.

4. Was the course presented in an organized manner?

5. The suggestions that I would make for improving the course are:

6. Would you recommend this course to your dental colleagues?

7. Do you feel the Assistant Instructor was thorough and covered all material?

8. Would you please give us a favorable quote regarding your impressions of the course for use on promotional literature?
